

## Spatial Design Exhibition stand construction

### About us

C³ Expo is a medium-sized **family business** that operates in the field of **live marketing** with a focus on trade **fair construction**. The company has been active in the market since **1995**. Through **creative** new **approaches** and **methods**, we always have our finger on the pulse of the times and stage **brands** and their **products** in the space along current social **meta-themes** in such a way that all the senses feel a **lasting experience**.

For the department **Spatial Design (m/f/d)** with a focus on **trade fair construction**, we are looking for a **personality** with a lot of **dedication**, **creativity**, a good **eye** and a feel for **brand worlds**. When someone tells you something about **themselves** or their **project**, do **creative presentation possibilities** immediately start to circle around in your head? Your **eye** recognizes more than meets the eye at **first glance**? Do you always bring out the **best** for your **customers**? Then **YOU** are exactly the **right** person for us!

### Your Challenge

- You are **responsible** for **developing** stand concepts for existing and new customers in conventional stand construction, taking into account **economic** and **ecological** aspects
- You **communicate** with the customer at **eye level** and can respond to their **wishes** and **needs**
- You **accompany** the **project team** during the **conception phase** and **interact** with your **colleagues** and the **customer**
- You deal with the **brand** and **the products** of our **customers** and **develop** holistic **approaches**, taking into account all surrounding and influencing **factors**
- Even under **time pressure**, you understand your **craft** and deliver **à la minute**, as **deadline** adherence is your top **priority**
- You **occasionally** convince yourself that your **concepts** achieve the desired **effect** on site, even if it's at the **weekend**
- At customer **presentations**, you like to stand in the **front row** and **present** your **customized concept**

# EXPO

## Your Skills

- You do your job with absolute **dedication**
- You have a lot of **empathy**, understand **people** and **brands** and can respond to their **needs** and provide them with **advice**
- Despite the **expertise** you have built up so far, your **nature** is **characterized** by a **thirst** for **knowledge**
- **Hands on** is not just an **phrase** for you, but an unconditional basic **attitude**
- Your **motto** is "the **captain** is the last to leave the **ship**"
- You understand something about **architectural compositions** for **temporary buildings** and know that there is no **Siemens air hook**
- You know your **craft** when it comes to creating **3D designs** that are finished down to the last **detail**
- You are able to **instruct** and **manage contractors** to ensure input for the **design services**
- You have a **soft spot** for **After Effects** and can use this **skillfully**
- You can **create** your **created** concept with **finesse** in PowerPoint ready for **presentation**
- **German** is no **stranger** to you and you are **firmly** in the **saddle** when giving presentations in **English**

## Your Benefits

- Performance-related **pay**
- **Flexible** working hours
- Choice of **work locations** (offices in **Mannheim** or **Bernau near Berlin**)
- **Home office** options
- 30 days **vacation**
- Modern **equipment** (cell phone / laptop / etc.)
- **Expense** account

## Appeals to you?

Then get in **touch** with us, we **look forward** to receiving your **detailed** application documents, which you are welcome to send **[here](#)**. Please let us know your **salary expectations** and your earliest possible **starting date**.
